# About Trivia Night

## About RiseUP Cooperative

RiseUP Cooperative is a nonprofit organization on a mission to empower teens and young adults through transformative life and leadership workshops. We believe every young person deserves the tools to navigate challenges, make confident decisions, and rise above adversity. By equipping them with essential skills—from communication and teamwork to financial literacy and goal-setting—we’re building the foundation for a brighter tomorrow. Our vision is simple yet bold: to inspire and launch the next generation of leaders, innovators, and changemakers who will shape our communities for the better.

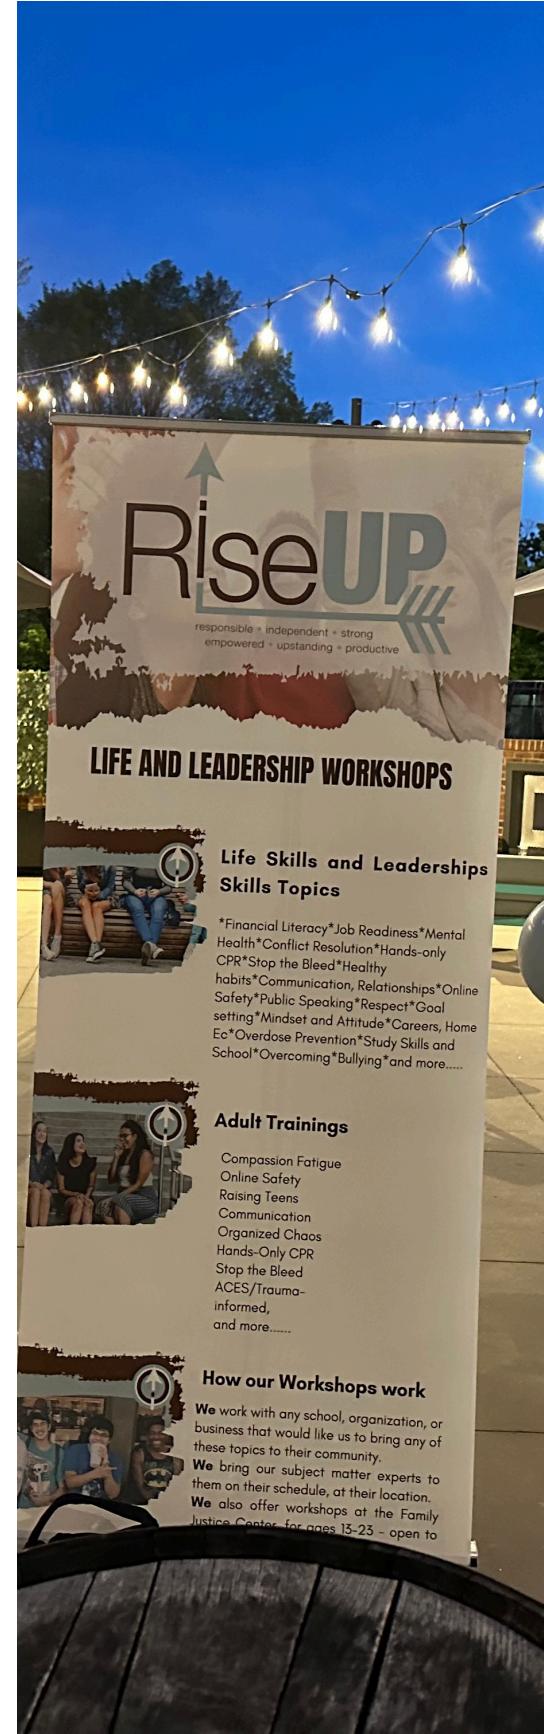

## Why Trivia Night Matters

Trivia Night isn't just an evening of laughter, friendly competition, and nostalgic fun "across the decades"—it's a lifeline for our mission. This annual fundraiser fuels the very workshops and programs that RiseUP provides free of charge to local teens and young adults.

When you sponsor, attend, or support Trivia Night, you're doing more than buying a ticket to a fun event—you're investing in:

- Skills that stick: Teens learning practical tools for real-life challenges.
- Confidence that lasts: Young people discovering their voice and leadership potential.
- Community that cares: A network of mentors and supporters standing beside them.

Every dollar raised helps ensure that no young person is turned away from the opportunity to grow, lead, and thrive. Together, we can turn a night of trivia into a future full of possibilities.
